For good quality texture, set the settings
Compression: Hihg Quality

This package does not require any special unity3d

Set the Mesh Type to "Full Rect."

This is necessary if your textures are being packed into an atlas to prevent them from trimming the required range.

Src - SrcAlpha, Dst - OneMinusSrcAlpha - Alpha blend
Src - One Dst - OneMinusSrcAlpha - Premultiplied
Src - One, Dst - One - Additive
Src OneMinusDstColor , Dst - One - Soft additive
